Item 10: APPLICATION OF TARIFF AND BILL OF LADING

The provisions of this Tariff, as amended, shall apply to services provided by Carrier in interstate, intrastate and/or foreign commerce between points in North America, including Mexico, except as otherwise set forth herein. The provisions of this Tariff may be waived in a written agreement signed by Carrier and a Customer. For purposes of this Tariff, the term "Customer" shall mean any entity responsible for requesting that Carrier provide services governed by this Tariff, any entity responsible for payment to Carrier for such services, or any entity receiving the benefit of such services.

Unless expressly disclaimed by a written agreement signed by Carrier and Customer, this Tariff shall apply to all services provided by Carrier that are otherwise within the scope of this Tariff (including services performed pursuant to a short form rate confirmation or "spot" move agreement which such agreement does not specifically disclaim the provisions of this Tariff) and the terms and conditions of Carrier's standard bill of lading shall apply notwithstanding the use of any other bill of lading or shipping document. If there is a conflict between the terms and conditions of this tariff and the terms and conditions on any air bill, manifest, label, bill of lading, or other transit documentation, the terms and conditions of this tariff, as amended, modified, changed, or supplemented, will control.

Item 20: MILEAGE

Mileage shall be calculated using the most current version of PC Miler practical miles

Item 30: NOTICE AND AMENDMENTS

Upon written request, carrier will provide Customer with copies of all applicable rules circulars and rates.

When this Tariff is amended by revised pages, the cancellation of prior pages will be effected by means of this item. A revised page will not show a cancellation notice for the prior version. A revised page takes effect at 12:01 A.M. Eastern time as of the Effective Date shown thereon, and cancels any and all uncanceled revised or original pages, or uncanceled portions thereof.

Item 100: RATES AND SCHEDULES

Rates and schedules may be published in rate catalogues or sheets, on a Customer specific basis or pursuant to a spot market rate quotation. Rates and service quotations are good faith estimates based upon information provided to Carrier, but final rates and service may vary based upon the shipment actually tendered, unknown circumstances, incorrect or incomplete information, and subsequent inclusion of the terms and conditions of this tariff.

Item 110: PAYMENT

Absent a written waiver by Carrier or contractual specification to the contrary, all freight transportation and related charges are due and payable within fifteen (15) days of delivery of shipment, or in the event of a cancelled move, within fifteen (15) days of the date of the scheduled delivery.

Item 120: DELINQUENT ACCOUNTS

Payments received more than 15 days after the date of Carrier’s bill will be assessed a late payment fee equal to 1.5% of the total freight bill for each 30-day period or portion thereof, from the date of the Carrier’s freight bill until the date the payment is received, in addition to all other charges. In any action to recover unpaid freight bills from delinquent accounts, carrier shall be entitled to interest, reimbursement for reasonable attorney’s fees, court costs and any related fees associated with the collection or attempted collection of past due bills.

Item 130: ADDITIONAL COSTS

Whenever Carrier incurs costs due to customer requirements, the customer shall be invoiced at cost + 15% of any and all fees, charges, repairs, replacements and/or general expenses associated with those incurred costs.

Item 140: LIEN RIGHTS

Carrier shall have a possessory lien on shipments and any proceeds therefrom in its dominion and control for the payment of any amounts due and owing to carrier. In addition, to the extent permitted by applicable law, carrier will have a general lien on any goods that have come or will come into its possession, and on any proceeds thereof, for any and all charges due and owing to carrier regardless of whether those charges related to the goods or proceeds against which the general lien is enforced.

Item 200: APPLICATION OF ACCESSORIAL CHARGES

In addition to line haul or base transportation rates, unless otherwise agreed in writing, the accessorial charges and fees set forth herein shall govern.

Item 210: LOADING AND UNLOADING

Rates in this Tariff contemplate loading of cargo by the consignor and unloading by the consignee, except that if the Customer, consignor or Consignee requests and Carrier furnishes outside labor to load or unload, all charges for such outside labor are to be paid by the Customer, who will be billed of actual time of outside labor. If the driver is requested to assist with loading and/or unloading, a charge of \$75 per hour, or fraction thereof, will be assessed in addition to all other applicable charges.

Item 220: DETENTION

- a) When Carrier's vehicles are delayed or detained at premises of consignor or consignee, or other places designated by consignor or consignee for loading or unloading, the following charges will be assessed which will be in addition to all other lawful transportation charges.

Type of Equipment	Total “Free Time” Allowance for Loading and Unloading Combined	Charge per each 15 minutes or fraction thereof in excess of “Free Time”
Trailer Only	1 day	\$50/day
Trailer With Power	2 hours	\$20/15 minutes

-
- ~~~~~
- b) Time per vehicle shall begin upon notification by driver to the consignor or consignee that the vehicle is available for loading or unloading, and end upon completion of loading or unloading and receipt by driver of a signed bill of lading or delivery receipt.
 - c) When shipments move under a prepaid basis, the detention charge will be billed to the consignor regardless of whether the consignor, the consignee, or a third party was responsible for the detention of the vehicle. When shipments move under a collect basis, the detention charges will be billed to the consignee regardless of whether the consignor, the consignee, or a third party was responsible for the detention of the vehicle. When a third party was established as the bill-to party for the shipment, the detention charges will be billed to the third party regardless of whether a consignor, a consignee, or a third party was responsible for the detention of the vehicle.
 - d) When shipments are stopped for either partial loading or partial unloading service, or both, one hour free time for each stop will be added to the total "Free Time" allowed.

Item 230: FUEL SURCHARGE

Absent Carrier's written waiver, a fuel surcharge shall be applied. The calculated fuel cost is determined using the U.S. Department of Energy's Energy Information Administration U.S. National Average On-Highway diesel fuel price published each week.

Adjustments, if any, in surcharges will be made effective for shipments picked up the calendar day following the calendar day of publication of each week's price. The surcharge shall be applied and utilize the criteria established herein regardless of whether shipments are entirely within the U.S., involve the U.S. and Canada, or entirely within Canada. Fuel surcharges will be applied to all linehaul charges based on loaded miles, and should prices rise to \$5.00/gallon or above, Carrier reserves the right to implement an extended surcharge. Minimum fuel surcharge is \$25.00.

Item 240: SPECIAL PERMITS OR FEES

Any fees paid to any Federal, State or Municipal Government or Canadian Authority, or any subdivision thereof for special permits as may be required in connection with such movement will be added at a cost plus 15% of such cost.

Item 250: TOLLS & CONGESTION

In concert with mileage calculations using PC Miler, a companion tolls calculation software will be used to determine toll charges. Toll charges will be assessed in addition to any and all other lawful transportation and related charges.

To compensate Carrier for time lost due to congestion, a fee of \$50 will be charged per county listed below that Carrier is required to travel through or within to make a delivery subject to a minimum of \$80

NY: Suffolk, Nassau, Queens, Kings, New York, Bronx, Richmond, Rockland, West Chester

CA: Los Angeles

IL: Cook

MD: Baltimore

DC: District of Columbia

TX: Harris, Dallas, Tarrant

MA: Suffolk

PA: Philadelphia

Item 260: TRANS-BORDER FEE: CANADA

A fee of \$50 will be charged on all shipments that a) pick up in the U.S. and deliver in Canada, b) pick up in Canada and deliver in the U.S., c) pick up in the U.S. and trip-through Canada making delivery in the U.S., and d) pick up in Canada and trip-through the U.S. making delivery in Canada. No such fee will be charged for intra-Canadian moves.

Item 270: VEHICLE FURNISHED BUT NOT USED

When an order is canceled after a vehicle has already been dispatched with pickup orders, fees will be charged at the applicable one-way rate based on the type of equipment ordered for all miles from the point of dispatch to point of pickup times the applicable rate per mile, and subject to a minimum charge of \$300.

Item 280: LAYOVER

When Carrier's vehicles are held overnight (through no fault of carrier) a layover fee of \$400 will be assessed.

Item 300: CARRIER LIABILITY AND RELEASED VALUE

- a) Carrier's liability for loss, damage, or destruction to cargo transported shall be that of a motor carrier as set forth in the Carmack Amendment currently codified at 49 U.S.C. § 14706 (Carmack), as amended from time to time, regardless of whether transport is interstate or intrastate, or involves foreign commerce. Unless a higher value is declared by Customer in accordance with the provisions herein and the additional freight charges applicable to such declaration have been paid, Carrier's liability for loss or damage as to any shipment shall not exceed \$50,000 per trailer or conveyance.
- b) Declaring values in excess of \$50,000.
 - i. Carrier must be notified at the time it agrees to transport cargo that a value in excess of \$50,000 (but in any event, not exceeding \$100,000) will be declared, and the amount that will be declared. The released value shall be valid (meaning Carrier's \$50,000 limitation of liability shall apply) unless Carrier has agreed in writing signed by an authorized representative to accept the cargo at the declared value. In order request such additional liability, the Customer must contact Carrier at 800- 837-6511 and make such request. If Carrier agrees to accept the additional liability, Carrier will provide a signed rate confirmation sheet acknowledging Carrier's acceptance of increased liability and reflecting additional charges as set forth below. Carrier's driver is not an authorized representative of Carrier for purposes of this provision, meaning that declaration of value on the bill of lading at the time of tender, without complying with the remaining provisions of this Item, is an insufficient method of declaring value.
 - ii. The declared value must be clearly stated as such on the face of the bill of lading.
 - iii. A charge of \$5.00 per \$100 of declared value in excess of \$50,000, in addition to all other charges, shall be assessed.
 - iv. Declared values in excess of \$100,000 shall not be accepted, and in the event Customer attempts to declare a value in excess of \$100,000 per trailer or conveyance, Carrier's liability shall continue to be limited to \$50,000 per trailer or conveyance.
- c) In no event shall Carrier's liability exceed the lesser of the actual value of the cargo or the declared value.
- d) The foregoing notwithstanding and regardless of whether a through bill of lading is used, Carrier shall have no liability for claims of cargo loss or damage arising in Mexico with respect to cargo moving: (1) from Mexico; or (2) to Mexico. Carrier and Customer hereby expressly waive applicability of the Carmack Amendment to such claims. Any loss or damage to cargo moving to or from Mexico shall be presumed to have occurred in Mexico

absent clear and convincing evidence to the contrary. Customer shall bear the burden of producing such clear and convincing evidence. If a court of competent jurisdiction deems this waiver to be invalid, to the extent permissible, Carrier will be deemed to be liable for any claims governed by this subsection in accordance with Mexican law. To the extent it is determined by a court of competent jurisdiction (or any arbitrator to whose jurisdiction the parties have submitted) that the Carmack Amendment applies to claims for loss or damage governed by this subsection, Carrier's liability will be limited to \$10,000 per trailer or conveyance. If Customer maintains insurance covering cargo loss or damage in Mexico, Customer will be deemed to have waived its election for higher valuation by virtue of maintaining such insurance.

- e) Regardless of commodity shipped or valuation, all transportation charges must be paid in full before any settlement for a claim for loss or damage will be made. No payor or other party with an interest in a shipment may deduct or offset any cargo loss, damage, or delay claims from any freight charges owed to Carrier. Carrier reserves the right, at its sole discretion, to either credit an account or provide an actual refund for any sums determined to be owed by Carrier.
- f) The valuation as determined by the provisions of this item shall be the maximum liability in connection with a shipment of the specific cargo, including, but not limited to, any loss, damage, misdelivery, non-delivery, misinformation, any failure to provide information, or misdelivery of information relating to the shipment. It is Customer's responsibility to prove actual damages. Exposure to and risk of any loss in excess of the released value provisions or declared value provisions as provided for in this item is assumed by the Customer.
- g) On shipments where any shipment or portion thereof is not able to be directly inspected by Carrier at the time of pick-up due to packaging, wrapping, sealing, and/or otherwise consisting of "containerized" cargo, there will be no presumption of delivery of cargo to Carrier in good condition based on a clean bill of lading.

Item 310: FILING OF CARGO CLAIMS

- a) Claims in writing required. Claims for loss, damage, or injury to cargo must be filed in writing, as provided in subparagraph (b) below, and as otherwise may be required by law, the terms of the bill of lading, and all tariff provisions applicable hereto.
- b) Minimum filing requirements. A communication in writing from a claimant for loss or damage must be filed within nine (9) months after the delivery of the property or the date upon which delivery should have been made: (1) containing facts sufficient to identify the shipment (or shipments) or property involved, (2) asserting liability for alleged loss, damage, or injury, and (3) making claim for the payment of a specified or determinable amount of money, will be considered as sufficient compliance with the provisions for filing claims embraced in the bill of lading or other contract of carriage.
- c) Documents not constituting claims. Notations of shortage or damage, or both, on freight bill, delivery receipts, or other documents will not be considered by Carriers as sufficient to comply with the minimum claim filing requirements specified in subparagraph (b) above.
- d) Claims filed for uncertain amounts. Whenever a claim is presented against a Carrier for an uncertain amount, such as "\$100 more or less," the Carrier against whom such claim is filed will determine the condition of the shipment involved at the time of delivery by it, if it was delivered, and will ascertain as nearly as possible the extent, if any, of the loss or damage for which it may be responsible. It will not, however, voluntarily pay a claim under such circumstances unless and until a formal notification in writing for a specified or determinable amount of money will have been filed in accordance with the provisions of subparagraph (b) above.
- e) Concealed damage claims. When damage to contents of a shipping container is discovered by the consignee which could not have been determined at the time of delivery, it must be reported by the consignee to the Carrier upon discovery and a request for inspection by the carrier's representative made by consignee. Notice

of loss or damage and request for inspection may be given by telephone or in person, but in either event must be confirmed in writing by mail or overnight courier.

If more than five (5) days pass between date of delivery of shipment by Carrier and the date of report of loss or damage and subsequent request for inspection by consignee, it shall be the obligation of the consignee to offer reasonable evidence to the carrier's representative when inspection is made that loss or damage was not incurred by the consignee after delivery of shipment by carrier. While awaiting inspection by Carrier, the consignee must hold the shipping container and its contents in the same condition they were in when damage was discovered insofar as it is possible to do so.

- f) Institution of Suits. Suit for loss, damage, or injury shall be instituted against Carrier no later than two years and one day from the day when written notice is given by the Carrier to the claimant that the Carrier has disallowed all or any part of the claim specified in the notice. Where claims are not filed or suits are not instituted thereon in accordance with the foregoing provisions, Carrier shall not be liable, and such claims will not be paid.

Item 320: INVESTIGATIONS OF CARGO CLAIMS

Each claim for loss or damage to cargo filed against Carrier in the manner prescribed herein will be promptly and thoroughly investigated.

Carrier reserves the right to require any and all other documentation it deems necessary, in its sole discretion, to investigate any claim. Regardless of the foregoing, each claim will be supported by the original bill of lading, evidence of the freight charges, if any, and either the original invoice, a copy of the original invoice, or an extract made therefrom, certified by the claimant to be true and correct.

For shipments or any part thereof which are not delivered, Carrier reserves the right to require certification from the claimant that the missing cargo has not been received from any other source.

Item 330: ACKNOWLEDGMENT OF CLAIMS

Carrier will, upon receipt in writing of a proper claim in the manner and required, acknowledge the receipt of such claim in writing to the claimant within 30 days after the date of its receipt by Carrier unless Carrier will have paid or declined such claim in writing within 30 days of the receipt thereof. Carrier will indicate in its acknowledgment to the claimant what, if any, additional documentary evidence or other pertinent information may be required by it to further process the claim as its preliminary examination of the claim as filed, may have revealed.

Carrier will, at the time each claim is received, create a separate file and assign thereto a successive claim file number, and note that number on all documents filed in support of the claim and all records and correspondence with respect to the claim, including the written acknowledgment of receipt, and, if in its possession, the shipping order and delivery receipt, if any, covering the shipment involved. At the time such claim is received, Carrier will cause the date of the receipt to be recorded on the face of the claim document, and the date of receipt will also appear in the carrier's written acknowledgment of receipt to the claimant.

Item 350: PROCESSING OF SALVAGE

Whenever material, goods, or other property transported by Carrier is damaged or alleged to be damaged and is, as a consequence thereof, not delivered or is rejected or refused upon tender thereof to the owner, consignee, or person entitled to receive such property, Carrier, after giving due notice whenever practicable to do so to the owner and other parties that may have an interest therein, and unless advised to the contrary

after giving such notice, will undertake to sell or dispose of such property or by the employment of a competent salvage agent. Carrier will only dispose of the property in a manner that will fairly and equally protect the best interests of all persons having an interest therein. Carrier will make an itemized record sufficient to identify the property involved so as to be able to correlate it to the shipment or transportation involved and claim, if any, filed thereon. Carrier also will assign to each lot of such property a successive lot number and note that lot number on its record of shipment and claim, if any claim is filed thereon.

Whenever disposition of salvage material or goods will be made directly to an agent or employees of Carrier or through a salvage agent or company in which Carrier or one or more of its directors, officers, or managers has any interest, financial or otherwise, Carrier's salvage records will fully reflect the particulars of each transaction or relationship, or both as the case may be.

Upon receipt of a claim on a shipment on which salvage has been processed in the manner hereinbefore prescribed, Carrier will record on its claim file thereon the lot number assigned, the amount of money recovered, if any, from the disposition of such property, and the date of transmittal of such money to the person or persons lawfully entitled to receive the same.

If Carrier does not receive disposition instructions within forty-eight (48) hours of sending its initial notice, Carrier may, in its sole discretion, attempt to issue a second and final confirmed notification. Such second notice shall advise that if carrier does not receive disposition instructions within ten (10) days of that notification, Carrier may offer the shipments for sale at a public auction and Carrier has the right to offer the shipment for sale. If Carrier determines in its sole discretion that the potential for recovery will be prejudiced by such second notice period (e.g., where the goods to be salvaged are perishable), Carrier may shorten the second notice period or forego the second notice altogether. The amount of sale will be applied to the costs of the sale and Carrier's invoice for transportation and other lawful charges. The owner will be responsible for the balance of the charges not covered by the sale of goods. If there is a balance remaining after all charges and expenses are paid, such balance will be paid to the owner of the property sold hereunder, upon written claim and proof of ownership.

Item 400: CLAIMS FOR OVERCHARGE, UNDERCHARGE OR DUPLICATE PAYMENT

- a) "Overcharge" means an overcharge as defined in Section 49 & U.S.C. § 14704(b). It also includes duplicate payments and unidentified payments as hereinafter defined when a dispute exists between the parties concerning such charges.
- b) "Duplicate payment" means two or more payments for transporting the same shipment. Where one or more payment is not in the exact amount of the applicable rates and charges, refunds shall be made on the basis of the excess amount over the applicable rates and charges.
- c) "Unidentified payment" means a payment which a carrier has received but which the carrier is unable to match with its open accounts receivable or otherwise identify as being due for the performance of transportation services.
- d) "Claimant" means any shipper or receiver, or its authorized agent, filing a request with a carrier for the refund of an overcharge or duplicate payment.
- e) "Undercharge" means charges for transportation services which are less than those applicable thereto.
- f) All claims shall be filed in accordance with the provisions of Item 410.

Item 410: FILING, DOCUMENTING, AND PROCESSING CLAIMS

Claims for overcharge or duplicate payment shall be accompanied by sufficient information to allow Carriers to conduct an investigation and pay or decline the claim within 30 days of the date of the invoice. Claims shall include

the name of the claimant, its file number and the amount of the refund sought to be recovered and shall be accompanied by the original freight bill along with all other documents or data in the possession of the claimant which substantiates the basis for the claim. Claims for duplicate payment shall be accompanied by the original freight bill(s) for which charges were paid and by applicable payment information.

If Carrier invoices the shipper, receiver or its authorized agent for charges for transportation services which are less than those applicable to such services, Carrier shall file an undercharge claim within 180 days of the date of the original invoice to the party responsible for payment of the freight charges. Carrier shall provide the amount of the undercharge sought to be recovered and such claim shall be accompanied by a copy of the original freight bill and a corrected freight bill along with all other documents or data substantiating Carrier's claim.

**Item 420: DISPOSITION OF UNIDENTIFIED PAYMENTS, OVERCHARGES OR
DUPLICATE PAYMENTS NOT SUPPORTED BY CLAIMS**

If Carrier is not provided sufficient information with which to properly apply a payment, the Carrier shall notify the payor of the unidentified payment within 60 days of receipt of the payment and request information which will enable it to identify the payment. If the Carrier does not receive the information requested within 90 days from the date of the notice, the Carrier may treat the unidentified payment as a payment of freight charges owing to it. Following the 90-day period, the regular claims procedure shall be applicable.

Item 500: LIABILITIES NOT ASSUMED

Carrier shall not be liable, regardless of the actual or alleged negligence or other wrongful conduct of Carrier, its employees, contractors, or utilized individuals or business entities, for any special, indirect, incidental, consequential or exemplary damages, including but not limited to loss of profits or income, business good will or factory shutdown, related to loss, damage or delay to a shipment, regardless of whether Carrier had knowledge that such damages might be incurred.

Item 510: COD SHIPMENTS

Unless otherwise provided, Collect-On-Delivery (COD) shipments will be accepted by Carrier subject to the following provisions and charges:

- a) Notification of a COD shipment must be given at time order is telephoned in or otherwise first communicated to carrier. Carrier assumes no liability for the form of tender accepted.
- b) The following, with the words "Collect on Delivery" in boldface type or red ink must appear prominently and legibly on the bill of lading:

COLLECT ON DELIVERY \$ _____ and remit to:
Name: _____
Address: _____

- c) Only one COD amount may be shown and may not be subject to change dependent upon time or condition of payment.
- d) The charge for collecting and remitting the amount of each COD bill will be 1.5% of the COD amount, subject to a minimum charge of \$25.00 per shipment.
- e) Carrier's responsibility for C.O.D. payment is limited to the exercise of reasonable care and diligence in forwarding the check or money order to the consignor, or to such other party as may be designated by the consignor as the payee, within 15 business days after receipt by Carrier.

- f) Carrier assumes no liability whatsoever for COD payments that default, without exception or limitation, for any reason whatsoever, including but not limited to those that default due to a lack of funds, credit exceeding established limits, erroneous, forged, counterfeit, stolen or fraudulent checks, drafts, currency, credit card or voucher.

Item 520: FORCE MAJEURE EVENTS

Carrier shall have no liability for damage, loss, delay or any other failure to perform services under this tariff where such damage, loss, failure or delay in performance is wholly or partially due to an Act of God, War, Fire, Weather, Explosion, Riot, Civil Commotion, Act of Terrorism, Restriction by Government or other Authority, Strikes, Lock Outs, Failure of Suppliers, or to any cause whatsoever which is beyond the direct and exclusive ability of Carrier to control, or which could not be reasonably anticipated by Carrier.

Item 530: APPOINTMENTS

Carrier is not bound to transport a shipment by a particular appointment schedule, or in time for a particular market, but is responsible to transport a shipment with reasonable dispatch. Carrier will not be liable for late deliveries or unkept appointments unless such late delivery or unkept appointment is beyond Carrier's duty of reasonable dispatch. In no event shall a time quotation be considered a guarantee of delivery time.

Item 540: IMPRACTICABLE OPERATIONS

Nothing in this tariff shall be construed as making it binding upon this carrier to accept freight from or make delivery to locations to which it is impracticable to operate vehicles, inclusive of performing pickup or delivery services, because of conditions of alleys or streets, because of riots or strikes, conditions typically referred to as Acts of God or Force Majeure events, inclusive of Force Majeure events as defined in that item of this tariff, local, state, or federal regulations restricting or prohibiting certain vehicle types, commodities, services, or if perceived to constitute a risk to environment, vehicle, cargo, vehicle operators, the general public, or pose a security risk. Further, at its sole discretion, Carrier reserves the right to refuse or reject requests for service, or to return accepted shipments, if it is known or perceived that any of the foregoing may exist or occur. Any applicable service guarantees are rendered null and void in the event any of the foregoing are experienced.

Item 550: LIMITATION OF SIZE AND WEIGHT
