## ABOUT PGT TRUCKING

PGT Trucking, Inc. has served our valued customers for more than 43 years by delivering safe and reliable transportation solutions. PGT is proud to announce the opening of our new terminal in Spartanburg, SC, supporting the transportation needs of steel and building product customers in the southeast region. With our fleet of local, regional and OTR drivers, PGT Spartanburg will provide dedicated, port services, drop trailer and live load capacity. Through PGT Spartanburg, we will offer the same quality service you come to expect from PGT.

## PGT ADVANTAGE

PGT is an asset-based carrier possessing our own fleet of trucks, trailers, tools and other necessary equipment for freight transportation. This ensures our reliability throughout the entire shipping process, from pick-up to delivery, while also upholding strict safety protocols.

## OUR SERVICES

### + ON SITE OPERATIONS

With operations, fleet management, sales and maintenance personnel on site in Spartanburg, PGT can quickly address any of your shipment needs.

### + PORT DELIVERY SERVICES

Our new facility offers services for both inbound and outbound freight. PGT's knowledge of port requirements ensure the prompt and secure delivery of your goods. Our professional drivers also hold TWIC cards for access to maritime facilities.

### + CUSTOMIZED SOLUTIONS

Through PGT and our affiliates, we offer customized solutions for your every transportation need. Ask us about our flatbed, dedicated, project cargo, specialized, and international capabilities.

### + ADDITIONAL SUPPORT

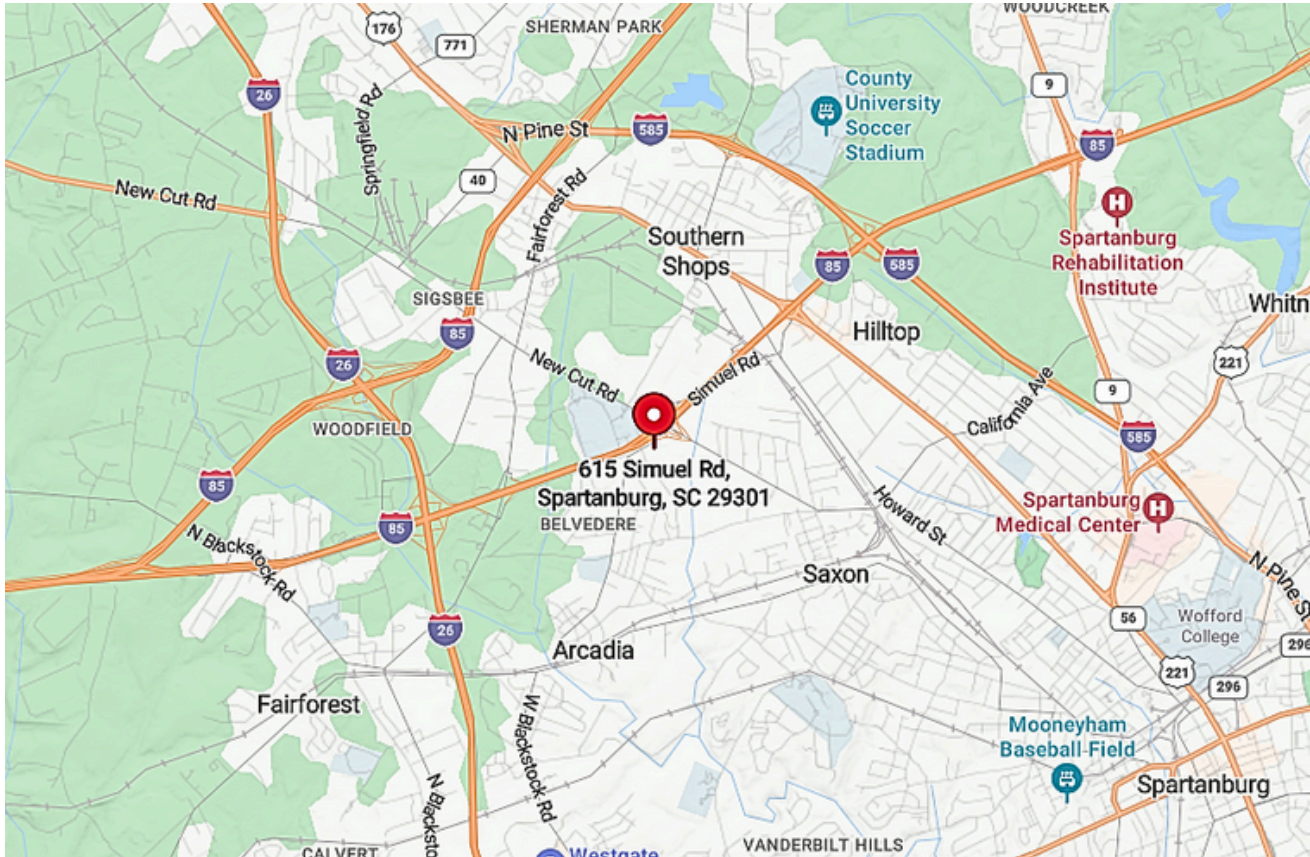

PGT is well equipped to handle any surge in capacity through our extensive network of integrated fleets, affiliates and managed service departments.

### + DIRECT SERVICE TO AND FROM MEXICO

With PGT's international services, we can safely transport your cargo to and from all locations in Mexico. We provide door-to-door service with no transloading, bilingual personnel, optional cargo insurance and real-time tracking updates.
